

## Community Connection Sept 2018

### Join Us for the "Women's Leadership & Networking Panel"

Melinda Gates once said that "philanthropy is not about the money. It's about using whatever resources you have at your fingertips and applying them to improving the world." That's exactly the type of giving spirit that has propelled the Women's Fund of the Community Foundation of Central Illinois to work diligently over the past 25 years to make a positive and sustainable impact in the lives of women and girls in our community.

Women working together to support each other and improve the community is what we're about and that's exactly why we invite you to attend the "Women's Leadership & Networking Panel" on **Thursday, September 27<sup>th</sup> from 5:00 to 7:00 p.m. in the 3rd Floor Executive Lounge at Edge by Chef Dustin Allen.**

Why should you attend? Well because:

- It's an opportunity to connect with diverse, powerful women from various professional backgrounds.
- Spending time with old friends and having a great time making new connections is fun!
- You will learn more about the Women's Fund and have a chance to join us in impacting the community.
- You need a break from your busy day! Come and enjoy cocktails and appetizers with amazing, like minded women!

This unique networking opportunity, cohosted and moderated by **Katie Kim** of The Kim Group, will feature a panel of dynamic women including **Michelle Hubble** (Partner, Internal Audit Center of Excellence at PwC), **Dr. Sarah de Ramirez** (Vice President / Chief Medical Officer of Clinical Innovation at OSF Healthcare), **Rebecca Mathis** (Adolescent Health Coordinator for the Hult Center for Healthy Living), and **Lea Anne Miller** (Women's Fund Advisory Board Chair and Operations Manager for State Farm Life Insurance Company).
