DONOR INVOLVEMENT	The most visionary type of fund, distributions are made by CFCI Grants Committee and Board to nonprofits addressing current needs of the community.	Donor advises CFCI on grant distributions.	Donor designates one or more organizations to receive or share annual grant distributions.	Donor sets criteria and may be involved in selection process.	Donor chooses one or more broad charitable needs. CFCI makes competitive grant distributions in that area.	Nonprofit organizations establish a fund to provide financial support to the organization for a specific project or program.
